A defence of poetry,

Percy Bysshe Shelley

A defence of poetry, Percy Bysshe Shelley

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors, strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.

From reader reviews:

Elaine Rode:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe will probably update themselves by reading through books. It is a good choice for you personally but the problems coming to you actually is you don't know what kind you should start with. This A defence of poetry, is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Gene Kirkland:

The actual book A defence of poetry, has a lot of information on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. The author makes some research previous to write this book. This kind of book very easy to read you will get the point easily after reading this book.

Colleen Nguyen:

Your reading 6th sense will not betray you actually, why because this A defence of poetry, reserve written by well-known writer who really knows well how to make book which can be understand by anyone who all read the book. Written with good manner for you, still dripping wet every ideas and publishing skill only for eliminate your current hunger then you still uncertainty A defence of poetry, as good book not merely by the cover but also from the content. This is one e-book that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick this particular!? Oh come on your reading sixth sense already said so why you have to listening to a different sixth sense.

Amy Smith:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this A defence of poetry, can make you sense more interested to read.
