**Enjoy old school teen slashers? Then *All Hallow's Eve* is just for you, but be warned the deaths are gruesome. You won't figure out who the killer is until it's too late!**

**Praise for *All Hallow's Eve*...**

"This was surprisingly creepy. Usually by about half way through a book like this you know who the killer is. I really didn't connect the dots on this one.

A rock star with delusions of devil worship makes for a great Halloween concert and party.

Just what a demented serial killer needs to round up a group of teens for the slaughter.

The author did not pull any punches in the way the victims died and I know nothing about catholic martyrs so I found the killer's choices pretty grim and gruesome.

But what I liked best was that the killer was completely unrepentant, there was no oh gee moment at the end where the killer realizes he was doing something wrong and is sorry.

If it is a horror book, horrify me. This one did."

"I love the way Carolyn writes. Before you know it you are beyond hooked into the story and eagerly turning pages (or in my case clicking next page)to see what happens next.

Twice I thought I had it all figured out only to discover at the end that I soooo did not have it figured out.

The ending took me completely by surprise. I loved it!."

"Beautifully written and masterfully executed. You will keep guessing until the end who could have planned such a horrific night! Do not read this while alone in the house!"

## **Overview...**

All Hallow's Eve: The One Night it is Bad to be Good

People are being martyred but not for their faith. Instead the deaths are part of a serial killer's sick game as he chooses his victim by their name... then kills them in that Saint's grisly manner.

## **More praise...**

"Carolyn McCray does it again. After her international best seller, Plain Jane, Carolyn brings to life another thriller that takes you to the edge and beyond. Not for the weak stomached, All Hallow's Eve is macabre, yet still manages to be heartfelt. But with people dying in the manner of the saints, we knew the body count would be high, and Ms. McCray did not disappoint!"
