Dating Game

Danielle Steel

Dating Game Danielle Steel

In her 57th bestselling novel, Danielle Steel brilliantly chronicles the roller-coaster ride of dating the second time around—and tells a captivating story of the surprises one woman encounters when she's thrust into the terrifying, exhilarating world of the **Dating Game**.

Paris Armstrong never saw it coming. With two grown children and a lovely home in Connecticut, Paris was happy with her marriage, her family, her life. So when her husband of twenty-four years said they needed to talk, Paris couldn't imagine what he was about to say.

"I want a divorce," Peter tells her. Just like that, the husband she adored had dumped her for a younger woman. And just like that, Peter and his thirty-one-year-old lover had made their plans for their future, leaving Paris to pick up the pieces of a shattered life. Within days, Peter was gone. And Paris was left to figure out how she intended to get through the next day, let alone the rest of her life.

The task could not have been more painful. First came the tears. Then the excruciating attempts by well-meaning friends to "fix her up" with men who paled in comparison to Peter. Worse yet, she still loved him. Finally, Paris realized she was in a fight for her very survival. Drastic measures were called for. Even her shrink agreed. It was time to move—as far away as possible, just after Peter remarried. Paris had never felt, or been, more alone.

Saying good-bye to the world she knew and loved, Paris heads west, to San Francisco, and discovers being single in a world full of men who were too young, too old, too married, or too good to be true. For Paris, the list seemed endless...the charming commitment-phobe...the drunken Neanderthal...the young Frenchman—so adorably sexy she almost forgot about his age, and did, for a while. With her dating track record veering between disappointing and disastrous, and her daughter now engaged to a man Paris's age, Paris finally comes to the conclusion that romance is not in her future. That's when her small circle of offbeat, loving friends becomes more important than ever before. And a decision Paris makes only for herself changes her life once more. The secret, she discovers finally, is in finding the gifts in life's unexpected twists and turns, and turning despair into freedom and loss into joy.

In a poignant, wickedly funny novel about getting dumped and getting over it, about tackling life with both courage and laughter, Danielle Steel explores what it means to start over, whether you wanted to or not, and finding something better than you had before.

From the Paperback edition.

From reader reviews:

Adam Nelson:

Often the book Dating Game has a lot associated with on it. So when you check out this book you can get a lot of profit. The book was compiled by the very famous author. Tom makes some research previous to write this book. That book very easy to read you can find the point easily after looking over this book.

Samuel Brooks:

Why? Because this Dating Game is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

Harley Campbell:

Playing with family in a park, coming to see the marine world or hanging out with close friends is thing that usually you may have done when you have spare time, in that case why you don't try thing that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Dating Game, it is possible to enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't understand it, oh come on its named reading friends.

Eugene Meunier:

Don't be worry should you be afraid that this book can filled the space in your house, you might have it in e-book technique, more simple and reachable. This specific Dating Game can give you a lot of good friends because by you looking at this one book you have thing that they don't and make a person more like an interesting person. This particular book can be one of one step for you to get success. This reserve offer you information that probably your friend doesn't realize, by knowing more than additional make you to be great folks. So , why hesitate? We should have Dating Game.
