Excerpt from Early Poems of William Morris

The Romantic Revival. Ossian. - The beginnings of the Romantic Revival in England stand out in marked contrast to the works which represent to us the triumphs of the eighteenth century. At a time when Goldsmith, Churchill, Young, Blair and Thomson, Falconer and Gray were the acknowledged exponents of English poetry the first notes of revolt against formal, classic, and conventional expression were sounded through Western Europe by an obscure Scottish clergyman. In Ossian, poor in ideas and limited in range as it was, the eighteenth century found something of the mystery lying round and underneath Nature, of the heroes of dim legend and the spirits of the mist and the wind, and from its revolt of unfettered lyricism, the Romantic reaction may be said to date its inception.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
