*Sublime service, made to order.*

The Flesh Cartel: an international, multi-billion-dollar black market that trades in lost souls. Or more specifically, their bodies.

Highly organized and frighteningly efficient, the Flesh Cartel could teach even the KGB a thing or two about breaking a human mind. Fortunately for their ultra-rich clients, they're just as skilled at putting people back together again—as perfect pets, well-trained and eager to please.

No matter what your secret tastes or dark desires, the Flesh Cartel—for the right price, of course—will hand-design the plaything of your dreams.
