Adventure for the Joyful Spirits! Adam Lynch

- 3 heroes will embark on an epic quest to defeat *Xuohs*, the former archangel of the arts. They will journey through many lands that have been transformed by its powers--such as green oceans with giant anglerfishes, mystical forest-mountains with werewolf tree-nymphs, and valleys of rainbows and berries with talking roaches.
- The 3 young heroes face many challenges along their adventures, but who says they can't have an absolute blast while doing it? They've never been more excited about anything in their entire lives.

There has never been a quest like this and Asmund, Tait, and Eydis can't wait to see what they'll discover out in this massive world of awe and wonders.
