Date with Destiny Helen Lacey

Was it fate...or a labor of love? Find out as Grace Preston comes face-to-face once again with teenage crush Cameron Jakowski in author Helen Lacey's fourth book for Harlequin Special Edition, *Date with Destiny...*

Financier Grace Preston did fourteen-hour days in New York City. She didn't do small towns in Australia. Not since she'd fled almost twenty years ago. But when a personal trauma sent her home—with a secret she couldn't reveal—the last person she needed was her first love.

Local cop Cameron Jakowski had loved Grace for most of his life. But he wanted marriage and family and she didn't. He was small town, while she was big city—and lived half a world away. But for now she was right here—a walking, talking temptation. One he managed to avoid...until he made one mistake. He kissed her. And reawakened the passion that could change their lives...forever.
