## Jesus and Paul Reconnected: Fresh Pathways into an Old Debate

The six essays in this volume consider the relationship between Jesus and Paul from diverse angles, bringing fresh insights into an area of study that has long lain dormant. Written by established scholars, *Jesus and Paul Reconnected* explores historical congruity between Christ and his apostle and examines potential connections in their thought, relationships, and practices. Topics considered include the grace of God, treatment of the poor, law and gospel, Peter's connection between the two, the Last Supper, and the death of Christ.

Todd Still brings these superb scholars together in hopes of encouraging further conversation and contributing to this growing area of New Testament research. The result is a new and stimulating exploration of these two extraordinary figures of the faith.
