Katie Hamstead

KIYA: Mother of a King (Kiya Trilogy Book 2) Katie Hamstead

Praise for KIYA:

"I absolutely recommend this story. If you want a good read with the mix of history, love, Egypt and a smart heroine, this story is for you." ~Goodreads Review by AnaPIN

Nefertiti has forced Naomi to flee Amarna with Malachi and the three children. But even under the protection of Naomi's family in Thebes, Nefertiti still hunts her and Tut. Nefertiti sends assassins to kill them, and while Naomi fights to protect the children, Malachi fights to keep her safe.

With three children in tow, one of which isn't her own, she is labeled the harlot outcast wife of the pharaoh and is shunned. She isn't safe among her own people, and flees from being stoned to death. Although her family protects her, she must find a way to survive.

While Naomi struggles to keep herself and Tut alive, old adversaries return as Smenkhkare takes advantage of Akhenaten's ailing health. Naomi must rely on Horemheb's promise to protect Tut's birthright, but her feelings for Malachi could cause more problems with Horemheb than she expects.
