Making Social Security Work for You: Advice, Strategies, and Timelines That Can Maximize Your Benefits Emily Guy Birken

A guide to getting the most out of Social Security

Despite reports of Social Security's impending bankruptcy, Social Security remains an important part of most Americans' retirement plans. But will it be enough? *Making Social Security Work for You* teaches you what you need to know about Social Security retirement benefits and the options you can choose to help meet your retirement goals. In straightforward, easy-to-understand language, this compact guide provides advice on the advantages and disadvantages of delaying benefits as well as the best ways to maximize your benefits depending on your financial or marital situation.

Featuring a glossary of terms to help you better understand Social Security jargon; a full explanation on how the current system works; and practical, actionable advice on how and when to save additional retirement funds, this book shows you how to make your retirement the best it can possibly be.
