## One Hundred Orthopedic Conditions Every Doctor Should Understand, Second Edition

Now available in a completely updated second edition, **One Hundred Orthopedic Conditions Every Doctor Should Understand** is bound to delight and instruct a new generation of medical students, residents, orthopedic practitioners, and allied health care professionals.

This fun-to-read, informative book encompasses 62 chapters that address common conditions that constitute most of the musculoskeletal problems doctors regularly encounter. Less common conditions are also discussed because they can be particularly devastating if not promptly diagnosed and treated. Throughout, orthopedic principles are woven into the fabric of these updated case studies.

The book is arranged to stimulate your curiosity and engage you in the adventure of investigating each patient with an unknown diagnosis. Your mission is to work through the case studies to determine the probable causes and the best courses of treatment. For reference and review, the index offers a conventional organization of topics and key words.
