## Dragon Shifter Romance

**30 hot and yummy bonus stories included in this book!**

Anna and Dean have been dating for almost two years, but she has never met his family. They might live together, and Dean might know her better than anyone else, but with a five hour drive to his parents' house it wasn't something they had ever had the time to do.

Anna is a detective, and when her last case wraps up just before Thanksgiving, Dean decided now is as good a time as any and takes her home for a week with the family. Between a sister with a middle child complex, a brother who can't keep his eyes to himself, a mother who never stops smiling and the murderous (literally) boyfriend his sister brought home from college, will Anna decide this family is too much or will she accept Dean's proposal at the end?

Will Dean follow through with his plans to propose, even after Anna subjects him to Black Friday shopping and everything it entails, or will he back out and realize he can't live with this the rest of his life?
