Textbook of Family Medicine

David Rakel, Robert E. Rakel

Textbook of Family Medicine David Rakel, Robert E. Rakel

Edited by Robert E. Rakel, MD and David P. Rakel, MD, Textbook of Family Medicine remains your #1 choice for complete guidance on the principles of family medicine, primary care in the community, and all aspects of clinical practice. Ideal for both residents and practicing physicians, it includes evidence-based, practical information to optimize your patient care and prepare you for the ABFM exam. The full-color format features a clean, quick-reference layout that makes it easy for you to put information to work immediately in your practice. You can also access the complete contents online at www.expertconsult.com, plus 30 videos of common office procedures, additional chapters on timely topics, and figures, tables, and photographs that supplement the text.

- Prepare for success on the ABFM exam with complete coverage of all aspects of family medicine.
- Access information quickly with an efficient, full-color layout that makes it easy to apply the latest knowledge in your practice.
- Take advantage of today's most useful online resources with a convenient list of outstanding clinical websites.
- Quickly spot "Best Evidence Recommendations" with special boxes located throughout the text.
- Glean helpful tips on diagnosis and therapy from "Key Points" boxes found on every page.

- Access the complete contents and illustrations online at www.expertconsult.com - fully searchable - plus additional figures, tables, and photographs online, as well as online-only chapters that cover topics such as prescribing nutritional supplements and botanicals.
- View 30 videos online covering common office procedures such as vasectomy, the proper use of today's diabetic equipment, and endometrial biopsy.
- Gain a new understanding of the patient-centered medical home and how to achieve this status in outpatient clinics.
- Make the most effective care decisions with help from "Evidence vs. Harm" icons that guide you through key treatments of common medical conditions.

Often the book Textbook of Family Medicine has a lot info on it. So when you check out this book you can get a lot of help. The book was published by the very famous author. This articles author makes some research just before write this book. This particular book very easy to read you can obtain the point easily after looking over this book.

David McCabe:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Textbook of Family Medicine can make you truly feel more interested to read.
