**The Age of Bede (Penguin Classics)** Bede, J. F. Webb, D. H. Farmer

This selection of writings from the sixth and seventh century AD provides a powerful insight into the early history of the Christian Church in England and Ireland. From Bede's *Life of Cuthbert* and *Lives of the Abbots of Wearmouth and Jarrow* to the anonymous *Voyage of St Brendan* - a whimsical mixture of fact and fantasy that describes a quest for paradise on earth - these are vivid accounts of the profoundly spiritual and passionately heroic lives of Christian pioneers and saints. Both vital religious writings and a revealing insight into the reality of life at a formative time for the church, they describe an era of heroism and bitter conflict, and the rapid spread of the Christian faith.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
