The People of the Abyss

Jack London

The People of the Abyss Jack London

Here is another VERY rare book from 1903 written by Jack London. The book is red with gold lettering. The cover is in pretty good shape but it's just starting to come away from the first page. The edges of the pages are a tad ruffled but overall it's amazing that this book is over 100 years old because of the shape it's in.
