**All Men Are Brothers (Continuum Impacts)** Mohandas K. Gandhi

All Men Are Brothers is a compelling and unique collection of Gandhi's most trenchant writings on nonviolence, especially in the context of a post-nuclear world. This compendium, which reads like a traditional book - "Gandhi without tears" - is drawn from a wide range of his reflections on world peace. "It is not that I am incapable of anger, but I succeed on almost all occasions to keep my feelings under control. Such a struggle leaves one stronger for it. The more I work at this, the more I feel delight in my life, the delight in the scheme of the universe. It gives me a peace and a meaning of the mysteries of nature that I have no power to describe.">
