A fun, interactive way to begin mastering the nursing process! Chapters on each step of the nursing process present a step-by-step, problem-solving approach that helps students understand the meaning and language of nursing. Your students will actively seek solutions rather than passively assimilate knowledge.

- **Four patient vignettes unfold throughout the text** to illustrate each step of the nursing process and to enable your students to learn through doing.
- **Practice activities, work pages, and case studies** provide opportunities to examine and scrutinize patient situations, consider alternatives, and evaluate outcomes.
- Final chapters include *Documentation, Evaluation Checklist, Interactive Care Plan Worksheets*, and a fifth vignette to ensure your students understand and can apply what they have just learned.
