**Here is a hot sample of what's inside:**

*My eyes finally adjusted to the sun's glare and I began to peer out into the neighborhood. A retired man walking his dog, a few birds chirping away and, then, him. I almost gasped as my eyes fixated on the young man getting out of the car with his shirt off.*

*He was a college boy who had just finished his workout at the gym. Sweat gleaned off his muscles as he began to slowly strut into the house. I couldn't look away. Every aspect of his body had my imagination flowing. I wanted to know how his bulging biceps felt as he wrapped them under my head while deep inside me. I needed to know how his back felt as I dug my fingernails into it. I had to know how his chest felt as I try to balance myself while riding his hot body.*
