Kosher Lust: Love Is Not the Answer Shmuley Boteach

Boy meets girl. Boy marries girl. Boy and girl enjoy the sparks in the early years, but eventually settle into a comfortable friendship, and all passion disappears from their marriage. That's just the way it goes, right? As many as one in three long-term marriages in America are sexless, and most people accept this as the inevitable course of a romantic relationship. In this groundbreaking book, Rabbi Shmuley Boteach explains why the prioritizing of love and companionship in marriage is all wrong, and why we should not go quietly into that dark night of celibate marriage. It is not love, Rabbi Shmuley shows, but lust that is the glue of a marriage.

In this book you will learn how to restore lust to its rightful place as the central pillar of marriage. You will learn about the three principles of lust, and how to tap into them to keep the flames burning in the family hearth. Finally, you will discover the incredible emotional and spiritual potential of the intimate marital bond. In a wide-ranging discussion that plumbs the depths of the erotic mind, Rabbi Shmuley delivers a revolutionary message with the power to completely transform your most important relationship.
