If you love Supernatural Mystery, Romance, Billionaire Lovers, and sexy Shifters, you'll love this novel by E.R. Baine.

The Craving. That is what they call it. The gut wrenching urgent need that latches onto a shifter when they meet their destined, true love. But what if you can't be with the one you love? What happens when otherworldly forces beyond your control work to keep you and your beloved apart? Would you succumb to destiny, or chart your own fate?

Since the events surrounding Audrianna's abduction have transpired, Warlock Bear Shifter couple Audrianna and Viktor have settled into business as usual in running their Multibillion dollar/ Multinational Corporation Maxckcom. However, Audrianna's memory of the entire scenario is wonky and unreliable. It is up to Viktor and his family to uncover the backstory behind the lapse in security surrounding her kidnapping. Also, they must target the source of the evil that has possessed her body before it manifests itself again. For by then, it

may be too late.

Excerpt

Chapter 18

Audrianna laced her arm into the crook of Amanda's, and dragged her away, attempting to divert her attention from attacking her brother who was entering the elevator with Elyzabel. She pulled Amanda in the direction of Viktor's office. Veronica followed behind, still distracted by her celly.

They unexpectedly bumped into Viktor and Mayakovsky on their way out. The two cousins formed an eye catching pair in suits that would normally only look sexy on a runway model. Viktor wore his hair long, dark and braided and his dark Versace suit rippled with sleekness to his corded frame. Maya stood a tad taller than Viktor. He in dark wool accessorizing with his plain, black, close-knit sweater vest and dark pants. Maya's chiselled features resemble his cousin's somewhat, but his eyes were those of his Asian birth mother.

Audrianna's senses were automatically overpowered by her mate's musky scent and she had to bite down an audible purr as she sidled up to Viktor. She unconsciously let go of Amanda and wrapped her arms around Viktor's muscled biceps and rubbed her cheek on his arm.

Viktor proved not to be immune. He became utterly enthralled with her burrowing into his side. And for a moment, they were the only ones that existed outside his office.

It was just the two of them until there was an impatient, and obvious, clearing of the throat. Maya raised his brow at Viktor, who looked at him with a brow raised at equal height. Maya folded his arms with his thumbs sticking out on either side.

Viktor looked back down at Audrianna. He growled, placing his hand on her other arm he pushed her back onto the wall opposite his office and kissed her. His body dwarfed hers and shielded it so everyone else got his back. From the moment their lips touched it was like lightning traveled through every inch of Viktor's body.
