The Creation: Let There Be Death (The Creation Series Book 2) The Behrg
And God said, 'Let There Be Death.'
And He saw that it was Good.

As the second day in The Creation begins, the world continues to be transformed. Day has arrived, but this is no ordinary light. And it is but the precursor for something far more terrifying.

With the dawn, Faye Moanna finds herself a prisoner in one of the darkest dungeons created for man. To escape with her life, she may have to sacrifice a part of herself that can never be reclaimed: Her soul.

Meanwhile, new allegiances are formed between Dugan's band of mercenaries, but betrayal lurks at every corner. And the power they seek, in the form of the Shaman, may prove not to save the world, but destroy it.

For in order to stop a god from creating a new world in place of the old, mankind will have to rely on the very force that aimed at stopping the Creation "in the beginning," though this time that evil may rise from mankind itself.

The thrilling Creation Series continues with this dark sequel, set in the Amazon Rainforest, with a cast of characters that make the anti-heroes of Breaking Bad look good.

For those just starting out in The Creation Series, pick up the first novella length chapter on Amazon for FREE! *The Creation: In The Beginning*
