The Ordinary Seaman

Francisco Goldman

The Ordinary Seaman Francisco Goldman

The Ordinary Seaman, the second novel from acclaimed writer Francisco Goldman, is a lyrical and spellbinding story of hope, despair, and the promise of love. The ordinary seaman is Esteban, a 19-year-old veteran of the war in Nicaragua, who has come to America with 14 other men to form the crew of the *Urus*.

Docked on a desolate Brooklyn pier, the *Urus* is a wreck, and the men, without the means to return home, become its prisoners. Esteban, haunted by the loss of his first love in the war, gradually works up the courage to escape the ship and start a new life in the city. His story and those of his shipmates come to life, illuminating the conflicts and triumphs of the human heart.
