What will you do when the unthinkable happens?

Her parents called her Lenya Lion because of her ferocious personality and hair that had been wild and mane-like since birth. But they never expected that, five days before Christmas, their five-year-old daughter would suddenly go to heaven after an asthma attack. How do you walk out of the ER without your daughter?

More a manifesto for high-octane living than a manual for grieving, *Through the Eyes of a Lion* will help you turn your journey into a “roar story” by guiding you to

- look past what you can see with the naked eye
- survive Saturday—the space between promise and fulfillment
- let God turn your pain into a microphone
- cue the eagle and run toward the roar

Whether you’re currently facing adversity or want to prepare yourself for inevitable hardship, it’s time to look at the adventure of your life through Jesus’ eyes—the eyes of a Lion.

“He has this story. And he has told it well. With candor. With honesty. With hope.”

—Max Lucado, pastor and *New York Times* bestselling author of *Before Amen*

“One of the most powerfully transparent books I’ve ever read . . . a book we all need to read.”

—Sheila Walsh, speaker, Bible teacher, and bestselling author of *5 Minutes with Jesus*

“This is more than a book. It’s a lifeline.”

—From the foreword by Steven Furtick, pastor and bestselling author of *Crash the Chatterbox*
