The vampires, werewolves, faeries, and other supernatural creatures that call Bon Temps, Louisiana home aren't universally accepted around town. Sweet-talking, bible-thumping Steve Newlin is their self-appointed nemesis. In his demented field guide, Steve has recorded all he knows about these Creatures of Satan, and that's a lot: their strengths, their weaknesses, their bylaws, and, of course, how to kill them. Sadly for Steve—but luckily for *True Blood* fans everywhere—his journal was stolen by Fangtasia vampires Pam and Eric, who have defaced it in a most disrespectful and snarky manner. A cunningly produced facsimile, and a hilarious read, *The Field Guide to Vampires* is packed with untold insight into our favorite TV characters, along with photos, letters, postcards, handwritten notes, and Steve's own idle doodles in a scrapbook that perfectly captures the tongue-in-cheek camp that makes *True Blood* the most widely watched show on HBO.
