In recent years, the oppression of black people in America has almost mirrored the oppression of the Civil Rights Era. We have been pulled into a time warp, reliving all the hatred, fear and bigotry of our ancestors. But, why? Why are we experiencing such a backlash of this magnitude? What did we do to deserve this? The better question is, how do we combat this overt and covert oppression? "Truth of our Fathers" is a book that will shed light on these questions and more. It is a guide of truth that will hopefully lead it's readers to a higher understanding of themselves, their world, and their creator.
