George Orwell

1984 George Orwell

Nineteen Eighty-Four, often published as 1984, is a dystopian novel by English author George Orwell published in 1949. The novel is set in Airstrip One (formerly known as Great Britain), a province of the superstate Oceania in a world of perpetual war, omnipresent government surveillance and public manipulation, dictated by a political system euphemistically named English Socialism (or Ingsoc in the government's invented language, Newspeak) under the control of a privileged elite of the Inner Party, that persecutes individualism and independent thinking as "thoughtcrime." The tyranny is epitomised by Big Brother, the Party leader who enjoys an intense cult of personality but who may not even exist. The Party "seeks power entirely for its own sake. It is not interested in the good of others; it is interested solely in power." The protagonist of the novel, Winston Smith, is a member of the Outer Party, who works for the Ministry of Truth (or Minitrue in Newspeak), which is responsible for propaganda and historical revisionism. His job is to rewrite past newspaper articles, so that the historical record always supports the party line. The instructions that the workers receive specify the corrections as fixing misquotations and never as what they really are: forgeries and falsifications. A large part of the ministry also actively destroys all documents that have been edited and do not contain the revisions; in this way, no proof exists that the government is lying. Smith is a diligent and skillful worker but secretly hates the Party and dreams of rebellion against Big Brother. Orwell based the character of the heroine of the novel, Julia, on his second wife, Sonia Orwell.[6][7] As literary political fiction and dystopian science-fiction, Nineteen Eighty-Four is a classic novel in content, plot and style. Many of its terms and concepts, such as Big Brother, doublethink, thoughtcrime, Newspeak, Room 101, telescreen, $2 + 2 = 5$, and memory hole, have entered into common use since its publication in 1949. Nineteen Eighty-Four popularised the adjective Orwellian, which describes official deception, secret surveillance and manipulation of recorded history by a totalitarian or authoritarian state. In 2005, the novel was chosen by TIME magazine as one of the 100 best English-language novels from 1923 to 2005. It was awarded a place on both lists of Modern Library 100 Best Novels, reaching number 13 on the editor's list, and 6 on the readers' list. In 2003, the novel was listed at number 8 on the BBC's survey The Big Read.

From reader reviews:

Phyllis Richards:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what your own problem? How about your free time? Or are you busy man? If you don't have spare time to perform others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. The doctor has to answer that question since just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this particular 1984 to read.

James Marcus:

In this 21st century, people become competitive in every way. By being competitive today, people have do something to make all of them survives, being in the middle of the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated this for a while is reading. Yes, by reading a reserve your ability to survive increase then having chance to endure than other is high. For you who want to start reading a book, we give you this specific 1984 book as basic and daily reading book. Why, because this book is usually more than just a book.

Francisca Varney:

Nowadays reading books are more than want or need but also become a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want feel happy read one along with theme for entertaining such as comic or novel. The particular 1984 is kind of publication which is giving the reader unstable experience.

Andrew Joy:

Many people said that they feel fed up when they reading a publication. They are directly felt the idea when they get a half areas of the book. You can choose often the book 1984 to make your own personal reading is interesting. Your personal skill of reading talent is developing when you similar to reading. Try to choose easy book to make you enjoy to see it and mingle the idea about book and reading especially. It is to be 1st opinion for you to like to available a book and read it. Beside that the guide 1984 can to be your friend when you're sense alone and confuse in what must you're doing of this time.
