An art-inspired gift that makes learning to name and explore wildlife a family adventure. Larger-than-life black and white drawings are paired with poetic texts that reveal the ways in which endangered creatures - including lions, elephants, giraffes, tigers, gorillas, penguins, Ethiopian wolves, macaws, turtles and zebras - live on Earth. Artworks by wildlife artist Stephen Walton are rendered in charcoal and give little ones the chance to get up close and personal with nature's wildest creatures. Virginia McKenna - actress and wildlife campaigner - has written a foreword which urges us to look at the beauty of these animals and do all we can to save them. A 5% royalty will be donated to her Born Free foundation.
