## **Cutting the Ties of Karma** Phyllis Krystal

What do we inherit from our family? We inherit karma. We can never "own" anything, so money and possessions are only "loaned" to us. We spend money, or use possessions, but we can't take them with us. In this book, Phyllis Krystal says that karma is like a patchwork quilt, made up of bits and pieces of unfinished business that we bring over from other lifetimes. She explains that we can rid ourselves of these unnecessary "patches" as we discover what they are. Krystal includes exercises to get rid of karma. This book will be helpful for many people who have just begun to think about the possibilities of karma and karmic ties. Index.
