Dagger is unaware of the depth of horror waiting in his future. The friends at his side are not as they seem. The truth of why they follow him in this madness is not as it appears.

The only thing he can count on is Solitude, the sword that does not like to be separated from him. With it on his side, Dagger fears nothing, not even the shadows which spy on him from above. They watch him, hoping he will march to the end of the road, where he is expected.

Dagger is a saga of five novels. You can find book 1, **Dagger - The Light at the End of the World**, free on Amazon and other major online retailers. The fourth book, **Dagger 4 – The Tankar Dawn**, is currently in progress.
