Sansy now discovers her father-in-law has one of the hugest bulge she has ever seen and he too is into her fantasy of fisting and stretching. She succumbs to the taboo challenge of the couple. She fists hard for the first time on her way to a motel then she's taken over a bathroom's face-basin and bored bare and unprotected from behind by a huge veiny limb. ## **EXCERPT FROM BOOK 1**

It started off with a question about sausage and it lead to me looking down again to see if that thing of his was real. I reeled it out entirely and pushed my pink fist down to the veiny root of his big thick stiffness. The length that hung out his zipper was at least another eight inches. It had a slight bend at the belly and midway it arched to the left. What should make its penetrations unbearable was that the broadest part of his stiffness was right below the pink head. Right there was broad and swollen with liveliness. Broad and fat and thick and hefty and oh so tempting. I thought, I could almost feel it inside me stretching me. It looked too heavy. Too thick for me to sit on, ride on, bore into and through my moistness, that broad section making its way slowly down into me at first then rammed harder and harder. What would it feel like? I stepped back, gasped and put my hand over her mouth. It was the same hand I was holding his thickness with. I pointed at it, it was slowly getting even wider and thicker and climbing up through mid-air in his zipper towards his navel. I was changing my mind. I have never had anything that big, nor have I ever seen one this big in real life.

I had to have it inside me.
