Wild's Financial and Managerial Accounting responds to the market's request for a single book with balanced financial and managerial content (~50/50) that has a **corporate approach** throughout. With numerous innovative features, the authors focus on "Three C's":

- **Clear** presentation of accounting concepts,
- **Concise** coverage to help students focus on important material, and
- **Cutting-edge technology** to engage students and improve their chances for success.

The authors provide a balance of small and large business examples, integration of new computerized learning tools, superior end-of-chapter materials, and highly engaging pedagogical learning structures.
