Joy and Longwei are an unlikely couple.

Longwei's the leader of a small village, and has the ability to shift into a dragon at will.

Joy was a reporter but is now Longwei's right hand woman.

Their differences haven't stopped them from falling in love.

Now Longwei wants Joy to carry his babies.

A potentially dangerous request, considering she'd be a human woman carrying the child of a dragon shifter.

If that was the only danger that'd be worrying enough, but other dangers are never far away.

The ever present threat of the Triad is growing.

Will Joy and Longwei be able to start their family with this threat getting closer and closer each day?

One thing's for sure; if they ever want to live a peaceful family life, something has to be done about the Triad's reign of terror...

A BWAM pregnancy shifter romance by R S Holloway.

Suitable for over 18s only due to scenes of a sexual nature.

The third and final part in the trilogy. Other parts are:
