Revolution George Barna

World-renowned pollster George Barna has the numbers, and they indicate a revolution is already taking place within the Church--one that will impact every believer in America. Committed, born-again Christians are exiting the established church in massive numbers. Why are they leaving? Where are they going? And what does this mean for the future of the Church? Using years' worth of research data, and adhering to an unwavering biblical perspective, Barna predicts how this revolution will impact the organized church, how Christ's body of believers should react, and how individuals who are considering leaving (or those who have already left) can respond. For leaders working for positive change in the church and for believers struggling to find a spiritual community and worship experience that resonates, Revolution is here. Are you ready?
