The Bernie Sanders Coloring Book...

This book is FREE if you purchase the paperback!

This is a coloring book devoted to the 2016 Presidential campaign of Bernard “Bernie” Sanders—an American politician and Junior United States Senator from Vermont (*yes, that state where everyone has a gun and a closet desire to secede from the Union*).

Bernie was born on September 8th 1941, in Brooklyn New York City, NY. Now in his mid 70’s, he’s making his play for the Presidency. Since 2007 he’s been a senator in Vermont on the Democratic side of the isle although now he finds himself as an independent for the most part. In his words:

“As President, I will invest \$1 trillion to rebuild our crumbling infrastructure to put 13 million Americans to work in good jobs, invest \$5.5 billion to employ 1 million young Americans and provide job-training to hundreds of thousands of others, and create a Clean-Energy Workforce of 10 million good jobs through a 100% clean energy system.”

In time, we shall see. But until then, show your support or contempt with your pens, pencils, crayons, markers, or lipstick!

This book has been a collaborative effort between artists, designers, and psychologists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but they’re anything but.

Our idea with this project was to both inspire you, and increase neuronal activity and stimulation in a way that activates very unique parts of your mind. There are fields of research suggesting that both children and adults who work with coloring books and designs can effectively raise their IQ.

So have fun, relax, let the markers and pens do what they will, and hang on for an incredible, mind altering ride!

We hope to give the designer (you) a very introspective and mind expanding experience. To help you bring your full art and color to life, we’ve left the outlines slightly gray instead of harsh black.

Your ideas and the beauty you create are more important than the original designs. This is for you!
