The Doctor's Wife (Oxford World's Classics)

Mary Elizabeth Braddon

The Doctor's Wife (Oxford World's Classics) Mary Elizabeth Braddon

With *The Doctor's Wife*, Mary Elizabeth Braddon rewrote Flaubert's *Madame Bovary*, exploring the heroine's sense of entrapment and alienation in middle-class provincial life. A woman with a secret, adultery, death, and the spectacle of female recrimination and suffering are the elements which combine to make *The Doctor's Wife* a classic women's sensation novel. The novel is also self-consciously literary, however, and Braddon attempts to transcend the sensation genre. This volume, which reproduces uncut the first three-volume edition of 1864, is the only edition of the novel available today.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
