## **The Hierophant of 100th Street** Cullen Dorn

'The Hierophant Of 100th Street' ~ "The worst neighborhood in the criminal history of New York City" ... declared the New York Times & New York Daily News. A three time award-winning novel based on a true story of a young man who searches for the meaning to life and meets a mysterious man who reveals his true purpose.

It is New York City's Spanish Harlem 1960's long before computers and technology. A time unlike any other whose story could not have been written save as it happened. The author, so as to eke from memory an accurate and descriptive tempo of its streets, captures it remarkably in prose. If some aspect appears incredible or outlandish the author offers no apologies, as the peculiarities of those remarkable events speak for themselves.
