International Code Council

2010 Florida Building Code - Residential International Code Council

Updated to reflect the 2009 International Residential Code, the 2010 FLORIDA BUILDING CODE - RESIDENTIAL provides its users with valuable, informative, and effective building codes that, when adopted and enforced, offer adequate defense against natural disasters and construction errors. It is a single state building code that supersedes all local building codes, in an effort to provide uniformity, accountability, and consistency to the residential construction field. A well-established resource from an industry-respected organization, this is a tool you won't want to be without.
