Encyclopedia of Religious and Spiritual Development (The SAGE Program on Applied Developmental Science)

The **Encyclopedia of Religious and Spiritual Development** is the first reference work to focus on the developmental process of religion and spirituality across the human life span. Spiritual development is an important part of human development that has links to identity development, moral development, and civic engagement. This innovative Encyclopedia offers insight into the characteristics of people and their contexts that interact to influence religious and spiritual development over time. Editors Elizabeth M. Dowling and W. George Scarlett provide readers with glimpses into the religious and spiritual developmental trajectories of people from all over the world, from many different religious and spiritual backgrounds.
