Faithful: A Theology of Sex (Ordinary Theology) Beth Felker Jones

Many believers accept traditional Christian sexual morality but have very little idea why it matters for the Christian life. In *Faithful*, author Beth Felker Jones sketches a theology of sexuality that demonstrates sex is not about legalistic morals with no basis in reality but rather about the God who is faithful to us.

In Hosea 2:19-20 God says to Israel, “I will take you for my wife forever; I will take you for my wife in righteousness and in justice, in steadfast love, and in mercy. I will take you for my wife in faithfulness; and you shall know the Lord.” This short book explores the goodness of sexuality as created and redeemed, and it suggests ways to navigate the difficulties of living in a world in which sexuality, like everything else, suffers the effects of the fall.

As part of Zondervan’s Ordinary Theology series, *Faithful* takes a deeper look at a subject Christians talk about often but not always thoughtfully. This short, insightful reflection explores the deeper significance of the body and sexuality.
