Falls the Shadow Stefanie Gaither

Cate's sister may be a clone, but that doesn't make her a killer. Does it? Murder, morality, and a slow-burning romance fill the pages of this futuristic thriller "for die-hard fans of *Divergent* and *The Hunger Games*" (*Kirkus Reviews*).

When Cate Benson was a kid, her sister, Violet, died. Two hours after the funeral, Cate's family picked up Violet's replacement like nothing had happened. Because Cate's parents are among those who decided to give their children a sort of immortality by cloning them at birth—which means this new Violet has the same face. The same perfect smile. She even has all of the same memories as the girl she replaced.

She also might have murdered the most popular girl in school.

At least, that's what the paparazzi and the anti-cloning protestors want everyone to think: that clones are violent, unpredictable monsters. Cate is used to hearing all that. She's used to defending her sister, too. But Violet has vanished, and when Cate sets out to find her, she ends up in the line of fire instead. Because Cate is getting dangerously close to secrets that will rock the foundation of everything she thought was true.

From reader reviews:

Linda Porter:

Often the book Falls the Shadow has a lot details on it. So when you check out this book you can get a lot of benefit. The book was authored by the very famous author. This articles author makes some research before write this book. This book very easy to read you will get the point easily after looking over this book.

Adrian White:

Your reading sixth sense will not betray you, why because this Falls the Shadow book written by well-known writer we are excited for well how to make book that can be understand by anyone who all read the book. Written inside good manner for you, leaking every ideas and publishing skill only for eliminate your own hunger then you still skepticism Falls the Shadow as good book not simply by the cover but also from the content. This is one reserve that can break don't assess book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your studying sixth sense already told you so why you have to listening to an additional sixth sense.

James Fulk:

This Falls the Shadow is great e-book for you because the content and that is full of information for you who also always deal with world and also have to make decision every minute. This book reveal it info accurately using great arrange word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tough core information with splendid delivering sentences. Having Falls the Shadow in your hand like finding the world in your arm, data in it is not ridiculous one. We can say that no book that offer you world within ten or fifteen moment right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. occupied do you still doubt this?

Jessica Palmer:

This Falls the Shadow is fresh way for you who has fascination to look for some information as it relief your hunger info. Getting deeper you in it getting knowledge more you know or perhaps you who still having little digest in reading this Falls the Shadow can be the light food for you because the information inside this particular book is easy to get by simply anyone. These books build itself in the form that is certainly reachable by anyone, that's why I mean in the e-book type. People who think that in guide form make them feel tired even dizzy this book is the answer. So there is not any in reading a reserve especially this one. You can find actually looking for. It should be here for you. So , don't miss the idea! Just read this e-book style for your better life and also knowledge.
