New MyPsychLab without Pearson eText -- Standalone Access Code Card -- for Discovering the Life Span (3rd Edition) Robert Feldman

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Modular, Manageable, Meaningful - help your students discover the life span.

Discovering the Life Span, 3/e by Robert S. Feldman helps students truly connect to the material. Written in an engaging and accessible style and organized in a modular format, this title allows instructors to cover the entire life span without having to sacrifice content throughout their course. Students will get a better sense of the entire process of development and understand how the domains of development work together.

Discovering the Life Span is a meaningful learning experience that prepares readers to apply content to their personal and future professional lives.

MyPsychLab is an integral part of the Feldman program. Engaging activities and assessments provide a teaching and learning system that will help students master life span development. New features include the updated MyPsychLab Video Series for Lifespan Development, which contains a rich assortment of video clips including sketchnote-style tutorials as well as cross-cultural footage and segments featuring real students sharing their experiences. MyPsychLab also contains MyVirtualLife, an engaging variable-based simulation that allows students to experience lifespan development firsthand.

This title is available in a variety of formats - digital and print. For the 3rd edition, Pearson is proud to offer a fully interactive eText version of the book that includes rich media and assessment to enliven the learning experience for students. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. To learn more about pricing options and customization, click the
