Next Time They'll Come to Count the Dead: War and Survival in South Sudan

Nick Turse

Next Time They'll Come to Count the Dead: War and Survival in South Sudan Nick Turse

A dramatic, true story of men and women trapped in the grip of war, *Next Time They'll Come to Count the Dead* is modern crisis reporting at its best.

For six weeks in the Spring of 2015, award-winning journalist Nick Turse traveled on foot as well as by car, SUV, and helicopter around war-torn South Sudan talking to military officers and child soldiers, United Nations officials and humanitarian workers, civil servants, civil society activists, and internally displaced persons—people whose lives had been blown apart by a ceaseless conflict there. In fast-paced and dramatic fashion, Turse reveals the harsh reality of modern warfare in the developing world and the ways people manage to survive the unimaginable.

Next Time They'll Come to Count the Dead isn't about combat, it's about the human condition, about ordinary people thrust into extraordinary circumstances, about death, life, and the crimes of war in the newest nation on earth.
