You CAN start over. "You can always start over again," says best-selling author Joanne Wallace, "no matter how great your loss." Joanne knows from her own experiences how quickly things in your life can fall apart. During one 30-day period, final divorce papers were signed for her marriage of 28 years, she faced a major lawsuit, her company was audited by the IRS, and she suffered a serious physical injury. At age 48, her life seemed to be falling apart. How could she start over again? As she searched the Scriptures, Joanne realized, "God is willing and ready to help me put the pieces back together." In this book, she shares the 5 strategies she used to "start over: **Grieve for your loss; **forgive yourself (and others) for failure; **renew your mind; **learn to trust--and to risk--all over again; and **begin to build new relationships. "No matter what has happened to you, it does not have to be the end of your life," says Joanne Wallace, "I have been able to pick up the pieces of my shattered world and start over again. You can too."
