## **The Invisible Man: A Grotesque Romance (Annotated)** H.G. Wells

The Invisible Man is a science fiction classic by H. G. Wells published in 1897. Originally serialized in Pearson's Weekly in 1897, it was published as a novel the same year. The Invisible Man of the title is Griffin, a scientist who has devoted himself to research into optics and invents a way to change a body's refractive index to that of air so that it absorbs and reflects no light and thus becomes invisible. He successfully carries out this procedure on himself, but fails in his attempt to reverse the procedure.

This edition has been formatted for your Kindle, with an active table of contents. This book has also been annotated, with additional information about the story and its author, including an overview, plot, characters, adaptation, science related to the story, origins, biographical and bibliographical information.
