Treason: Nixon and the 1968 Election Don Fulsom

“I do solemnly swear that I will faithfully execute the Office of President of the United States, and will to the best of my Ability, preserve, protect and defend the Constitution of the United States.”

?Oath of Office of the President of the United States

Right hand held high, Richard M. Nixon was sworn into the office he had already betrayed. In the months before the 1968 election, Nixon and his allies?including the “Dragon Lady” Anna Chennault and Henry Kissinger?collaborated with foreign nationals to undermine Pres. Lyndon B. Johnson’s Vietnam peace talks in order to curry public favor for Nixon and his secret plan to bring an end to the Vietnam War. Nixon’s sabotage extended the brutal conflict, ultimately costing thousands of lives. This incisive account reveals the true Nixon and shakes the fundamental trust we place in our leaders.
