Ally and her friends are on the hunt for adventure, but as their road trip to Los Angeles draws to a close it becomes clear that adventure isn't always easy to find.

With one day left, the girls gain admission to a super secret bar where the password is 'cover me'. It's not long before they realize that there is more to this place than meets the eye.

Seizing her chance, Ally takes the plunge and soon finds herself on stage, surrounded by a whole gang of guys who are ready to blow their hot, white loads all over her. She's now wrapped up in the adventure of a lifetime... a cum soaked bukkake competition where she is the star!

This is a filthy short story containing 4,600+ highly explicit words. It includes bukkake, facials, blowbangs, gangbangs, and load after load of warm jizz.
