The Forgotten Man: A Novel (Elvis Cole Novels) Robert Crais

In his major *New York Times* bestseller, *The Last Detective*, Robert Crais returned to his signature characters, private investigator Elvis Cole and his enigmatic partner, Joe Pike. Now Crais delivers a stunning, edge-of-your-seat suspense novel that leads Elvis to the very thing he's always searched for—the dark secrets of his own life—as well as a brutal killer determined to stop him.

Los Angeles, 3:58 a.m.: Elvis Cole receives the phone call he's been waiting for since childhood. Responding to a gunshot, the LAPD has found an injured man in an alleyway. He has told the officer on the scene that he is looking for his son, Elvis Cole. Minutes later, the man is dead.

Haunted throughout his life by a lack of knowledge about his father, Elvis turns to the one person who can help him navigate the minefield of his past—his longtime partner and confidant, Joe Pike. Together with hard-edged LAPD detective, Carol Starkey, they launch a feverish search for the dead man's identity—even as Elvis struggles between wanting to believe he's found his father at last and allowing his suspicions to hold him back. With each long-buried clue they unearth, a frightening picture begins to emerge about who the dead man might have been and the terrible secret he's been guarding.

At the same time, Elvis has no way of knowing he has awakened a sleeping monster. The further he goes in his investigation, the closer he draws to a merciless killer who is violently connected to the unidentified man's past. This psychopath believes Cole is hunting him, and he goes on the attack to find Elvis before Elvis can find him.

Summoning all the powerful elements that have made Robert Crais one of the preeminent crime writers today, *The Forgotten Man* is a spectacular tour-de-force of suspense and intrigue.

Your knowledge can inspire the mediocre, make them reading a book.

Walter Taylor:

Spent a free a chance to be fun activity to complete! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, gonna beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your free time/ holiday? May be reading a book could be option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the publication untitled The Forgotten Man: A Novel (Elvis Cole Novels) can be great book to read. May be it can be best activity to you.

Patrick Allen:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The Forgotten Man: A Novel (Elvis Cole Novels) can make you really

feel more interested to read.
