A Small Fortune

Rosie Dastgir

A Small Fortune Rosie Dastgir

A smart debut novel that explores the complexities of cultural differences, family loyalties, and what is lost in translation.

Harris, the patriarch of his large extended family in both England and Pakistan, has unexpectedly received a “small fortune” from his divorce settlement with an English woman. As a devout Muslim, Harris views this sum as a “burden of riches” that he must unload on someone else as quickly as possible. But deciding which relative to give it to proves to be a burden of its own, and soon he has promised it both to his extremely poor cousins in Pakistan and to his Westernized, college student daughter. In a rash bout of guilt and misunderstanding, Harris signs the entire sum away to the least deserving, most prosperous cousin of all, exacerbating a tricky web of familial debt and obligation on two sides of the world.

With insight, affection, and a great gift for character and story, Rosie Dastgir immerses us in a rich, beautifully drawn immigrant community and a complex extended family. She considers the challenges between relatives of different cultural backgrounds, generations, and experiences—and the things they have to teach one another. *A Small Fortune* offers an affecting look at class, culture, and the heartbreak of misinterpretation.

From reader reviews:

Maureen Harris:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a move, shopping, or went to the Mall. How about open or even read a book allowed A Small Fortune? Maybe it is to be best activity for you. You realize beside you can spend your time with the favorite's book, you can more intelligent than before. Do you agree with their opinion or you have various other opinion?

Kristen Zamora:

As people who live in often the modest era should be update about what going on or facts even knowledge to make all of them keep up with the era and that is always change and progress. Some of you maybe will probably update themselves by reading through books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which you should start with. This A Small Fortune is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Brad Sharpe:

Is it you who having spare time then spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This A Small Fortune can be the response, oh how comes? The new book you know. You are so out of date, spending your time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

Keith Vanwagoner:

That guide can make you to feel relax. This specific book A Small Fortune was colourful and of course has pictures on there. As we know that book A Small Fortune has many kinds or category. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and believe that you are the character on there. Therefore , not at all of book are make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading that.
