"Kahlen Aymes never disappoints. Her stories are enthralling, funny, and with the perfect touch of angst. I don't hesitate to recommend her work to everyone. READ HER BOOKS!" ~NYT & USA Today bestselling author of **DIRTY ENGLISH & VERY WICKED THINGS, Ilsa Madden Mills.**

Cade Carlisle and Brooklyn Halloway may be Hollywood's IT couple, but their feelings are the real deal. They should have a perfect life, but if shooting films on opposite sides of the world and constantly being stalked by the paparazzi wasn't hard enough, the movie studio's ruthless publicity machine is on the verge of ripping the lovers apart.

With Social media invading their private life faster than they can cross the street, rag mags spinning lie after lie, and ex-lovers trying to push them apart, it gets harder and harder and harder for Cade and Brook to keep their focus each other and not keep doubt and jealousy at bay.

When a ruse set up to promote one of their films goes wrong, Cade decides he's had enough and nothing, not even his superstar career, is worth losing the woman he loves. But Brook's star is on the rise and she isn't ready to risk her momentum in the industry by bringing their relationship out in the open despite their contracts. For the first time, their priorities collide.

In another of Kahlen Aymes' heart-wrenching, explosive and sexy conclusions, Cade and Brook have to decide if having it all is worth losing everything.

This is book #3 (conclusion) of The Famous Novel Series.
