Come, My Love Fran Lee

What Fran Jamison and Jack Gerrard have in common could be balanced on the head of a pin. Jack screwed up his chances with the BBW years ago when he allowed his friends to influence his choices. And Fran totally lost her chance with the hot campus jock by openly spurning his attempt to apologize.

Fran has never been to any of the reunions, but now a friend needs her, so this time she hasn't been able to shimmy out of it. What she doesn't expect in a million years is to find herself making hot love with Jack Gerrard on the hood of a parked car...in the airport parking ramp!

Jack lost her once. But if she thinks she's getting away this time, she's dead wrong.

Publisher's Note: This book was previously published elsewhere as First and Ten.
